Participating physicians and other providers listed here are not the agents, employees or partners of Humana, the ChoiceCare Network or any of their affiliates or subsidiaries. They are independent contractors. Humana and the ChoiceCare Network are not providers of medical services. Humana and the ChoiceCare Network do not endorse or control the clinical judgment or treatment recommendations made by the physicians or other providers listed here or otherwise selected by you.

To get the most from your health plan benefits, use participating providers. While every effort has been made to provide the most accurate and up-to-date information, participating physicians and network composition are subject to change without notice. We recommend that you contact the office of your selected physician to be sure that physician is currently participating in the network and accepting new patients. Humana and the ChoiceCare Network will not be liable for any losses, damages or uncovered charges that may result from using this site or receiving care from a provider listed on this site.

Specialized Care: If you are enrolled in a plan that requires referrals, you will need a referral in order to use your benefit most effectively. When you need specialist care, your primary care physician will refer you to a network specialist or hospital he or she routinely uses. Many primary care physicians limit their referrals to selected specialists and hospitals so be sure to check with your physician whenever you need a referral. You should not assume that the services of a particular specialist or hospital listed here will be covered according to your benefits, unless you have the appropriate referral.

State and federal regulation, along with plan option selection, may allow for a broader range of provider access. Members should consult their plan documents.

Copayment amounts for participating providers may vary depending upon the benefit plan you have chosen. Please check your Certificate of Coverage or Plan Benefit Document to see if your plan has different provider copayment levels. You may also contact Humana Customer Service for the appropriate copayment schedule by calling the number on your ID card.
